DTM Integrated Location Assessment – IV
IOM Iraq, May 2019
Questionnaire

This questionnaire is divided into the following sections, and covers the following indicators:

1. General Information About the Location
    - Type of location - Q1.6
    - Categories of People Found in the Location - Q1.9
    - Occupied or Attacked by ISIL after December 2013 - Q.10
    - Largest Ethnic or Religious Group Prior to the Current Crisis - Q1.11
    - Current Largest Ethnic or Religious Group - Q1.12

2. Information Sources

3. Demography of the Location
    - 3.7 IDP Sub-section
        - Number of IDP Families Per Shelter Category - Q3.7.1
        - IDPs First Displacement Period - Q3.7.2
        - Governorate and District of Origin - Q3.7.3
        - Percentage of IDPs In Terms of Ethnicity and Religion - Q3.7.4
        - Family Members Remain in Displacement - Q3.7.5
        - New IDP Families Arrive in The Location - Q3.7.6
    - 3.8 Returnees Sub-section
        - Number of Returnee Families Per Shelter Category - Q3.8.1
        - Returnees First Displacement Period - Q3.8.2
        - Governorate and District of Last Displacement - Q3.8.3
        - Percentage of Returnees in Terms of Ethnicity And Religion - Q3.8.4
        - Returnee Family Members Still in Displacement - Q3.8.5
    - 3.9 Returnees from Abroad Sub-section
    - 3.10 Stayees Sub-section

4. Infrastructure and Services
    - Availability of Legal Services for Restoration of House, Land and Property (HLP) In Sub-District - Q4.1
    - Office for The Replacement of Civil ID in Sub-District - Q4.2
    - Electricity Sufficiency - Q4.3
    - Water Sufficiency - Q4.4
    - Reliance on Water Trucking - Q4.5
    - Water Quality Issues - Q4.6
    - Access to Waste Collection or Communal Garbage Bins – Q4.7
    - Access to Latrines - Q4.8
    - Primary School Presence - Q4.9
    - Secondary School Presence - 4.10
    - Teachers Sufficiency - Q4.11
    - Health Clinic Presence - Q4.12
    - Hospital Presence - Q4.13
    - Market/Shop Presence - Q4.14

Place of Worship Presence - Q4.15
Court Presence - Q4.16
Police Station Presence - Q.14.17
Usable Types of Areas And Resources At The Location - Q4.18
House Destruction - Q4.19
Occupied Private Residences Without Permission - Q4.20

5. Safety and Security Incidents
Security Incidents in The Last Three Months - Q5.1
Security Groups/Actors in The Location - Q5.2 and Q5.3
Households Security Concerns (All Population Groups) - Q5.4

IDP Questionnaire
6. Intentions
IDPs Short-term Intention - Q6.1
IDPs Long-term Intention - Q6.2
Reasons for Long-term Integration - Q6.2.1
Reasons for Plans to Return - Q6.2.2
IDPs Blocked Return - Q6.3
IDPs Forced Evacuation - Q6.4
IDPs Forced to Relocate - Q6.5

7. Safety and Security Incidents
Freedom of Movement within the Governorate - Q7.1

8. Living Conditions
Economic Activity - Q8.1
Governmental or Religious Group Aid Suspension – Q8.2
IDPs Problems Per Associated Sectors - Q8.3
Most Important Unmet Needs of IDPs - Q8.4
IDPs Food Insufficiency - Q8.5
Main Sources of Income - Q8.6
School-Aged Children (6-12 Years Old) Attending Primary School - Q8.7
School-Aged Children (13-17 Years Old) Attending Secondary School - Q8.8
Main Source of Information About Location of Origin - Q.9
At Risk IDPs - Q8.10
Problems/Issues/Threats Affecting Young IDPs - Q8.11
IDPs Who Lack Some Type of Civil Documentation and its Impact - Q8.12

9. Social Cohesion
IDPs Facing Discrimination to Access Services - Q9.1
Social Cohesion Issues Between Different Groups - Q9.2
Places Where IDPs Feel Unwelcome or Uncomfortable - Q9.3

Returnee Questionnaire
10. Information About Returnees
Families Return Period - Q10.1
Reasons for Return - Q10.2

Forced Return - Q10.3

11. Safety and Security Incidents
Freedom of Movement within the Government - Q11.1

12. Living Conditions
Reasons not able to return to habitual residence - Q12.1
Obstacles for Returnees to Prove Ownership of Their Property - Q12.2
Economic Activity - Q12.3
Main Sources of Income - Q12.4
Government Employees Receiving Salaries - Q.12.5
Most Important Basic Needs of Returnees - Q12.6
Food Insufficiency - Q12.7
School-Aged Children (6-12 Years Old) Attending Primary School - Q12.8
School-Aged Children (13-17 Years Old) Attending Secondary School - Q12.9
Returnees Problems Per Associated Sectors - Q12.10
Main Source of Information About Access to Assistance/Aid - Q12.11
At Risk Returnees - Q12.12
Problems/Issues/Threats Affecting Young Returnees - Q12.13
Returnees Who Lack Some Type of Civil Documentation and its Impact - Q12.14

13. Social Cohesion
Returnees Facing Discrimination to Access Services - Q13.1
Social Cohesion Issues Between Different Groups - Q13.2
Places Where Returnees Feel Unwelcome or Uncomfortable - Q13.3

Date of assessment:

1. General Information About the Location

1.1 Governorate			
1.2 Staff name			
1.3 District			
1.4 Sub-district			
1.5 Big area name (English + Arabic)			
1.6 Location name			
Location ID			
Location Classification (taken from ML)	☐ Site (stand-alone location, like a collective shelter) ☐ Neighborhood		☐ Village ☐ Big area/sector ☐ Sub-district
What type of location is this?	☐ Urban	☐ Peri-urban	☐ Rural
1.7 How is the data collected?	☐ Field visit	☐ Phone	☐ Unable to assess location
1.7.1 If assessed by phone, what is the reason for not doing a field visit?	☐ Not accessible because of security reasons (violence, IEDs, mines, etc.) ☐ Not accessible because of logistic reasons (no road, broken bridge, etc.) ☐ Other, please specify: _____		
1.8 GPS coordinates	Lat:		Long:
1.9 Which categories of people do you find in this location?	☐ IDPs ☐ Returnees		☐ Stayees ☐ Returnees from abroad

1.10 Was this location ever occupied or attacked by ISIL after December 2013? Consider the location occupied if it was held under ISIL for at least one night. ***Only ask for new locations**	☐ Yes, occupied ☐ Yes, attacked only ☐ No

1.10.1 If location was occupied, during which period was it retaken for the last time from ISIL? (Select 1)

☐ Before December 2014	☐ July to September 2016
☐ January to March 2015	☐ October to December 2016
☐ April to June 2015	☐ January to March 2017
☐ July to September 2015	☐ April to June 2017
☐ October to December 2015	☐ July to September 2017
☐ January to March 2016	☐ October to December 2017
☐ April to June 2016	☐ January 2018 or later

1.11 What was the largest ethnic or religious group for the entire population in this location prior to the current crisis? Select one. If one dominant group cannot be determined, select a second one. ***Only ask for new locations.**

☐ Arab Muslim Sunni	☐ Turkmen Muslim Sunni
☐ Arab Muslim Shia	☐ Turkmen Muslim Shia
☐ Kurdish Muslim Sunni	☐ Kurdish Yazidi
☐ Chaldean Christian	☐ Kurdish Muslim Shia
☐ Assyrian Christian	☐ Kaka'i
☐ Christian (do not know what ethnic group)	☐ Other (specify):
☐ Shabak Muslim Shia	☐ Unknown
☐ Shabak Muslim Sunni	

1.12 What is currently the largest ethnic or religious group for all the population in this location? Select one. If one dominant group cannot be determined, select a second one.

☐ Arab Muslim Sunni	☐ Turkmen Muslim Sunni
☐ Arab Muslim Shia	☐ Turkmen Muslim Shia
☐ Kurdish Muslim Sunni	☐ Kurdish Yazidi
☐ Chaldean Christian	☐ Kurdish Muslim Shia
☐ Assyrian Christian	☐ Kaka'i
☐ Christian (do not know what ethnic group)	☐ Other (specify):
☐ Shabak Muslim Shia	☐ Unknown
☐ Shabak Muslim Sunni	

2. Information Sources

Key Informant Name*	Type	Phone number	Gender	OK to share contact
			(Male/Female)	(Yes/No)
			(Male/Female)	(Yes/No)
			(Male/Female)	(Yes/No)

3. Demography of the Location

Groups	Number of families
3.1 How many IDP families currently live in the location?	#
3.2 How many returnee families currently live in the location? This should only include families who were IDPs in Iraq, not abroad	#
3.3 How many stayee families currently live in the location? (Optional) (those who never left the location)	#
3.4 How many returnee individuals from abroad currently live in the location? This should only include individuals who fled after December 2013	#

3.5 Are there Iraqi individuals that left the location for another country in the last year with the intention to migrate abroad?	☐ Yes ☐ No ☐ Do not know	3.5.1 If yes, can you provide an estimate of the number of individuals? (optional)	_____Individuals
3.6 Are there any individuals of foreign nationalities (non-Iraqi) in the location?	☐ Yes ☐ No ☐ Do not know	3.6.1 If yes, can you provide an estimate of the number of individuals? (optional)	_____Individuals

3.7 IDP Sub-section

3.7.1 What is the number of IDP families currently living in these shelter categories?			
Shelter type	Critical shelter sites or clusters of sites	Number of families	# of sites or clusters
Religious building			
Unfinished/abandoned buildings OR sub-standard shelter not for residential purposes (ex: garage)			
School building			
Informal or irregular settlements			
Host family			
Rental- good condition (ok for living inside)			
Rental - damaged/destroyed (not ok for living inside)			
Own property			
Hotel/motel or short-term rental			
Unknown			
Other types of collective shelter (specify)			

Critical shelter site type	Cluster or site name (street name, description, sign)	# of sites per cluster (if applicable)	# of families per cluster/site	GPS Coordinates
1				
2				
3				

Critical shelter site types: Religious building, Unfinished/abandoned building, School building, Informal settlement, Other formal settlement /collective center

3.7.2 When were these IDPs first displaced?	
Period of displacement	Number of families
January to May 2014	
June to July 2014	
August 2014	
September 2014 to March 2015	
April 2015 to March 2016	
April to September 2016	
October 2016 to June 2017	
July 2017- December 2018	
January 2019 or later	

3.7.3 Governorate and district of origin (count)		
Governorate of origin	District of origin	Number of families

3.7.4 What is the current percentage of IDPs in terms of ethnicity and religion?	
☐ Arab Muslim Sunni	☐ Turkmen Muslim Sunni
☐ Arab Muslim Shia	☐ Turkmen Muslim Shia
☐ Kurdish Muslim Sunni	☐ Kurdish Yazidi
☐ Chaldean Christian	☐ Kurdish Muslim Shia
☐ Assyrian Christian	☐ Kaka'i
☐ Christian (do not know what ethnic group)	☐ Other (specify):
☐ Shabak Muslim Shia	☐ Unknown
☐ Shabak Muslim Sunni	

3.7.5 Are there any IDP family in which some members remain in displacement while others have returned or displaced to another location?		
☐ Yes	☐ No	☐ Don't know
3.7.5.1 If yes, can you provide an estimate of the number of families that are split? (optional)		

3.7.6 Did new IDP families arrive in the location since the last reporting round/DTM visit?	
☐ Yes → please answer follow up question	☐ No

Origin of new IDP arrivals	# families
Families displaced for the first time and arriving from their area of origin	#
Families displaced more than one time and arriving from another location of displacement than their area of origin	#
Families displaced more than one time and arriving from their area of origin where they failed to return	#

For families displaced for the first time:

Governorate of origin	District of origin (optional)	# families	Main reason for displacement

3.8 Returnee Sub-section

3.8.1 What is the shelter type where returnees are currently living?			
Shelter type	Critical shelter sites or clusters of sites	# of families	# of sites or clusters
Religious building			
Unfinished/Abandoned buildings OR sub-standard shelter not for residential purposes (ex: garage)			
School building			
Informal or irregular settlement			
Habitual residence - good condition (ok for living inside)			
Habitual residence - damaged/destroyed (not ok for living inside)			
Long term rental			
Hotel/motel or short-term rental			
Host family			
Unknown			
Other			

Critical shelter site type	Cluster or site name (street name, description, sign)	# of sites per cluster (if applicable)	Number of families per cluster/site	GPS coordinates
1				
2				
3				

Site critical shelter types: Religious buildings, Unfinished/abandoned building, School building, Informal settlement, other types of collective center

3.8.2 When did the returnee families first displace from this location?	
Period of displacement	Number of families
January to May 2014	
June to July 2014	
August 2014	
September 2014 to March 2015	
April 2015 to March 2016	
April to September 2016	
October 2016 to June 2017	
July 2017- December 2018	
January 2019 or later	

3.8.3 Number of returnee families by governorate and district of last displacement		
Governorate of last displacement	District of last displacement	Number of families

3.8.4 What is the current percentage of returnees in terms of ethnicity and religion?

☐ Arab Muslim Sunni ☐ Arab Muslim Shia ☐ Kurdish Muslim Sunni ☐ Chaldean Christian ☐ Assyrian Christian ☐ Christian (do not know what ethnic group) ☐ Shabak Muslim Shia ☐ Shabak Muslim Sunni	☐ Turkmen Muslim Sunni ☐ Turkmen Muslim Shia ☐ Kurdish Yazidi ☐ Kurdish Muslim Shia ☐ Kaka'i ☐ Other (specify): ☐ Unknown

3.8.5 Are there any returnee family in which some members have returned while others remain in displacement in another location?		
☐ Yes	☐ No	☐ Don't know
3.8.5.1 If yes, can you provide an estimate of the number of individuals? (optional)		

3.9 Returnees from Abroad Sub-section

3.9.1 What is the number of returnees from abroad in this location by country of migration? If applicable

Country of Migration	Number of individuals	Are they originally from the location in Iraq where they currently live?
	#	*Yes/No/Don't Know*
	#	*Yes/No/Don't Know*
	#	*Yes/No/Don't Know*
	#	*Yes/No/Don't Know*

3.10 Stayees Sub-section

3.10.1 What is the current percentage of stayees in terms of ethnicity and religion?	
☐ Arab Muslim Sunni ☐ Arab Muslim Shia ☐ Kurdish Muslim Sunni ☐ Chaldean Christian ☐ Assyrian Christian ☐ Christian (do not know what ethnic group) ☐ Shabak Muslim Shia ☐ Shabak Muslim Sunni	☐ Turkmen Muslim Sunni ☐ Turkmen Muslim Shia ☐ Kurdish Yazidi ☐ Kurdish Muslim Shia ☐ Kaka'i ☐ Other (specify): ☐ Unknown

4. Infrastructure and Services

4.1 Is there a programme/organization providing legal services for restoration of house, land and property (HLP) rights available in your sub-district?	☐ Yes ☐ No ☐ Don't know		
4.2 Is there an office (such as civil directorate) for the replacement of civil ID in your sub-district?	☐ Yes ☐ No ☐ Don't know		
4.3 Do households have enough electricity for their needs? This should include all sources, public or private	☐ All or nearly all have enough electricity (75-100%) ☐ Most the households have enough electricity (50-74%) ☐ Less than half the households have enough electricity (25-49%) ☐ Less than a quarter have enough electricity (1-24%) ☐ None of the households have enough electricity (0%)		
4.4 Do households have enough water for their drinking and domestic needs? This should include all sources, public or private	☐ All or nearly all have enough water (75-100%) ☐ Most the households have enough water (50-74%) ☐ Less than half the households have enough water (25-49%) ☐ Less than a quarter have enough water (1-24%) ☐ None of the households have enough water (0%)		
4.5 Does the location rely on water trucking?	☐ Yes, always	☐ Yes, sometimes	☐ No

4.6 Did you have any issue relating to the taste, appearance or smell of your main drinking water source in the last 30 days?	☐ Yes	☐ No
4.7 Do households have access to waste collection or communal garbage bins at the time of assessment?	☐ Yes	☐ No
4.8 Do all households have access to latrines in the location (private or communal)?	☐ Yes	☐ No

4.9 Is there a functional primary school present in or within 5 km of your location? (Private or Public)	☐ Yes ☐ No, but access is still possible	☐ No, access is impossible ☐ Don't know
4.10 Is there a functional secondary school present in or within 5 km of your location? (Private or Public)	☐ Yes ☐ No, but access is still possible	☐ No, access is impossible ☐ Don't know
4.11 Are there sufficient teachers for the schools?	☐ Yes ☐ No	☐ Don't know
4.12 Is there a functional health clinic in the location or within a 5km distance?	☐ Yes ☐ No, but access is still possible	☐ No, access is impossible ☐ Don't know
4.13 Is there a functional hospital in the location or within a 10km distance?	☐ Yes ☐ No, but access is still possible	☐ No, access is impossible ☐ Don't know
4.14 Is there a functional market/ shop(s) providing basic items and food in the location or within a 5km distance?	☐ Yes ☐ No, but access is still possible	☐ No, access is impossible ☐ Don't know
4.15 Is there a place of worship in the location or within a 5km distance?	☐ Yes ☐ No, but access is still possible	☐ No, access is impossible ☐ Don't know
4.16 Is there a court present in the location or within a 5km distance?	☐ Yes ☐ No, but access is still possible	☐ No, access is impossible ☐ Don't know
4.17 Is there a police station in the location or within a 5km distance?	☐ Yes ☐ No, but access is still possible	☐ No, access is impossible ☐ Don't know

4.18 Are the following types of areas and resources at your location usable?

Type of area	Safely accessible and usable	Present but not usable due to damage, landmines, lack of irrigation etc.	Present but not used (lack of money, people in displacement, etc.)	Not present in location
Arable land (for crops)				
Grazing land (for animals)				
Irrigation water supply				
Crop storage facilities				

4.19 How many of the houses in the location are heavily damaged/destroyed? (House damage due to the 2014 conflict onward)	
A – All of the houses are heavily damaged/destroyed (above 100%)	D – Less than half of the houses are heavily damaged/destroyed (25%-49%)
B – Nearly all of the houses are heavily damaged/destroyed (75%-99%)	E –Less than a quarter of the houses are heavily damaged/destroyed (1%-24%)
C – Most houses are heavily damaged/destroyed (50%-74%)	F – None of the houses are heavily damaged/destroyed (0%) / All of the houses have been reconstructed/rehabilitated
4.19.1 If applicable, are any of the heavily damaged/destroyed houses currently being reconstructed/rehabilitated? (note: by the households or with the help of NGOs or government)	
A – Most of the houses are being reconstructed/rehabilitated (above 75%)	C – Less than half of the houses are being reconstructed/rehabilitated
B – More than half of the houses are being reconstructed/rehabilitated	D – None or very few of the houses are being reconstructed/rehabilitated? (less than 20%)

4.20 Are there private residences occupied without permission (not family or friends) in this location?	☐ Yes ☐ No	☐ Don't know ☐ Don't want to answer

5. Safety and Security Incidents

5.1 In the last three months, did any of the following security incidents occur in this location, (regardless of who the perpetrator was?)				
	Yes	No	Don't know	Don't want to answer
Suicide attacks, including: suicide-vehicle-borne-IEDs (SVBIED) and suicide-body-borne-IEDs (SBBIEDs)				
Improvised Explosive Devices (IEDs), including: road-side IEDs and Under-Vehicle-IEDs (UVIEDs)				
ERWs, landmines, UXOs				
Direct fire attacks, including Small Arms Fire (SAF) and Heavy Weapons (HW), such as heavy machine guns (HMGs)				
Indirect fire attacks, including missiles, rockets, artillery and mortar shells				
Attacks in which knifes and similar (bladed) as well as other non-kinetic weapons were used				
Abduction and kidnapping				
Arbitrary arrest				
Recruitment into militia groups (semi-formal security actors)				
Recruitment by terrorist groups				
Schools and hospitals used by armed actors				
Incidents of criminal intent (petty crime)				

5.2 How many different security groups/actors are present in this location? (e.g. army, police, PMU, other)? Count all groups who come to location, even if not based in location		____ groups
5.3 Who is/are the groups present in the location? Select all that apply	☐ Iraqi army (Peshmerga for KRI) ☐ Federal police ☐ Local police ☐ Assayish ☐ PMU / PMF ☐ Informal militias (specify): ☐ Tribes (specify):	☐ Foreign troops ☐ National security forces ☐ Unknown group ☐ Other (specify) ☐ Do not know ☐ Prefer not to answer

5.4 How concerned are households (including all groups, ie stayees, IDPs and returnees) about			
	Very concerned	Somewhat concerned	Not concerned
Explosive devices (mines, UXOs, IEDs)?			
Violence from or between security forces or armed groups?			
Attacks from ISIL or sleeper cells?			
Revenge attacks			
Ethno-religious/tribal tensions			

IDP Questionnaire

6. Intentions

6.1 What is the short-term (less than 6 months) plan of most IDPs living in this location? (Choose one)	☐ Return to their place of origin (voluntarily) ☐ Return to their place of origin (involuntarily, returns are being pushed) ☐ Stay in the current location (voluntarily) ☐ Stay in the current location (involuntarily, they have no other choices) ☐ Move to a third location – within the country ☐ Go abroad ☐ Other (specify): ☐ Unknown

6.2 What is the long-term (6 months or more) plan of most IDPs living in this location? (Choose one)	☐ Return to their place of origin (voluntarily) ☐ Return to their place of origin (involuntarily, returns are being forced) ☐ Locally integrate in the location (voluntarily) ☐ Locally integrate in the location (involuntarily, have no other choice) ☐ Move to a third location – within the country ☐ Go abroad ☐ Other (specify): ☐ Unknown

6.2.1 If the majority plans to locally integrate in the long term, why is that so? Please rank up to 3 reasons.

Reasons related to location of displacement	Reasons related to location of origin
☐ The location is safe ☐ Availability of housing ☐ Availability of services (for example, education and health) ☐ Availability of jobs ☐ Availability of assistance ☐ Presence of extended family/relatives/friends ☐ Same religious, linguistic or ethnic composition ☐ Encouraged by community/religious leaders	☐ The location is unsafe (presence of militias, ISIL, changed ethno-religious composition, etc.) ☐ Blocked returns (prevented from return by the community, local authorities, security forces, etc.) ☐ No financial means to return and restart ☐ Most family/relatives/friends left ☐ House in place of origin is damaged/destroyed ☐ No job opportunities in return area ☐ Lack of basic services in the area of origin ☐ Other (specify)

6.2.2 If the majority of IDPs in the location plans to return, what are the main obstacles preventing their return? Please rank up to 3 obstacles.

☐ House in place of origin is damaged/destroyed ☐ No job opportunities in return area ☐ Basic services in the area of origin are not enough/available (electricity, water, health) ☐ The area of return is insecure/unsafe due to ongoing conflict, armed groups UXOs, etc.) ☐ Fear as a result of the changed ethno-religious composition of the place of origin ☐ Trauma associated with returning to place of origin ☐ Blocked returns (prevented from return by the community, local authorities, security forces, etc.) ☐ Household assets have been damaged/stolen ☐ House in place of origin is occupied ☐ No information on the situation in area of origin	☐ No financial means to return and restart ☐ Fear to lose aid/humanitarian assistance; ☐ Living conditions are better in the area of displacement ☐ Children enrolled at school in the area of displacement ☐ Lack of education opportunities for children in the area of origin ☐ Movement restrictions (do not have proper security clearance) ☐ Immediate family and network will not return ☐ Other (specify): ☐ Unknown

6.3 Among IDPs currently in the location, are there families whose return was obstructed in the place of origin (blocked return)?	☐ Yes ☐ No	☐ Don't know ☐ Prefer not to answer

6.4 Have any of the IDP families who were staying in this location been forced to leave the location (either to return to location of origin or to another location of displacement) since the last Master List data collection?
Ex: a camp is closed and people are forced to leave

☐ Yes	☐ No	☐ I don't know	☐ I don't want to answer

6.5 Have any of the IDP families who were staying in this location been forced to relocate (within the location of displacement) from their shelter since the last Master List data collection?
Ex: families are being evicted from a collective shelter and have no other shelter option

☐ Yes	☐ No	☐ I don't know	☐ I don't want to answer

7. Safety and Security Incidents

7.1 Are most IDPs allowed freedom of movement within the governorate in day-to-day activities?	☐ Most/all can move freely without any special permit ☐ Most/all can move freely but need a special permit from police, army, etc. ☐ Some groups move freely while others face restrictions ☐ No IDPs have freedom of movement ☐ Don't know ☐ Prefer not to respond

8. Living Conditions

8.1 Are the majority of IDPs economically active?	☐ Yes ☐ No	☐ Don't know

8.2 Was aid from government or religious groups (not from NGOs) to IDPs suspended in the last 3 months to encourage people to return?	☐ Not applicable, no aid was provided ☐ Yes	☐ No ☐ Don't know ☐ Prefer not to answer

8.3 Are there any problems associated with the below sectors for IDPs in the location?
If yes, what is the main aspect that needs improvement (for IDPs) associated with each of the sectors below?

Sector	Main problem, if applicable
Drinking water	☐ No problem ☐ Quantity (insufficient, inconsistent or sporadic supply) ☐ Quality (poor quality, not safe/contaminated) ☐ Difficult access (too far, too hard to access) ☐ Price (too expensive) ☐ Unequal access (IDPs are prevented from accessing water even if available)
Food	☐ No problem ☐ Quantity (insufficient, inconsistent or sporadic supply) ☐ Quality (poor quality, not fresh, bad taste) ☐ Difficult access (market too far, inconvenient opening hours) ☐ Price (too expensive) ☐ Unequal access (IDPs are prevented from accessing food even if available)
NFIs	☐ No problem ☐ Quantity (insufficient, inconsistent or sporadic supply) ☐ Quality (poor quality) ☐ Difficult access (market too far, insecure roads, no money for transportation) ☐ Price (too expensive) ☐ Unequal access (IDPs are prevented from accessing NFIs even if available)
Health	☐ No problem ☐ Quantity (facilities are too few or small or overcrowded) ☐ Quality (poor service, under-qualified/unfriendly staff), ☐ Difficult access (too far, inconvenient opening hours) ☐ Price of healthcare visit/treatment/medicines is too expensive ☐ Unequal access (IDPs are prevented from accessing health even if available) ☐ Lack of rehabilitation services (including psychosocial support) ☐ Lack of mother and child health services
Shelter/Housing	☐ No problem ☐ Quantity (insufficient houses so there is overcrowding) ☐ Quality (infrastructure is poor, not durable, not adequate) ☐ Price (rent is too expensive) ☐ Unequal access (IDPs are prevented from renting) ☐ Rent assistance (lack of or inadequate) ☐ Eviction (IDPs are being evicted/at risk of eviction)
Education	☐ No problem ☐ Quantity (insufficient classrooms or schools so they are overcrowded) ☐ Quality of environment/service (infrastructure is poor or not adequate, staff skills, female/male classes) ☐ Distance (too far, difficult to access by road) ☐ Price (too expensive; in terms of fees, books and materials, uniforms) ☐ Unequal access based on the fact that they are IDPs ☐ Language barriers
Employment and livelihoods	☐ No problem ☐ Quantity (insufficient jobs available in the area) ☐ Quality (jobs available but low paid or occasional or under-qualified) ☐ Distance (jobs available but too far/hard to reach) ☐ Unequal access/barriers to jobs/land/personal property (identity/residence cards, work permits, freedom of movement, recognition of qualifications, discrimination) ☐ Programmes to support the start up of small businesses ☐ (e.g. grants, loans, business development services, technical assistance) ☐ Training/job placement/vocational centers ☐ Suspension of aid or salaries

8.4 What are the most important unmet needs of IDPs in this location? Rank up to 3	☐ Drinking water; ☐ Food; ☐ NFIs; ☐ Health; ☐ Shelter/housing; ☐ Education; ☐ Removal of UXO / IEDs ☐ Employment/livelihood ☐ Access to and replacement of personal and other documentation	☐ Access to solutions for displacement-related rights violations (justice, reparations and compensation) ☐ Reunification with family members separated during displacement ☐ Improved safety, security and freedom of movement (indirect security factors between groups or from security actors) ☐ Participation in public affairs on an equal basis with the resident population ☐ Other: (specify) ☐ No need mentioned
8.5 Are there IDP households living in this location who do not have enough food?		☐ Yes, a lot ☐ Yes, some ☐ No ☐ I don't know
8.6 What are the three main sources of income for the majority of IDPs living in this location? (Select three)	☐ Paid job (public) ☐ Paid job (private) ☐ Agriculture / farming / animal raising ☐ Business ☐ Informal commerce or sporadic daily labor	☐ Savings ☐ Rent received from house or land ☐ Money from family and/or friends ☐ Cash grants or other forms of aid from organizations/government ☐ Pension ☐ Other (specify):
8.7 Approximately what proportion of IDP school-aged children (6-12 years old) are attending primary school?	☐ All (100%) ☐ Nearly all (75%-99%) ☐ Most (50%-74%)	☐ Less than half (25%-49%) ☐ Less than a quarter (1%-24%) ☐ None (0%)
8.8 Approximately what proportion of IDP school-aged children (13-17 years old) are attending secondary school?	☐ All (100%) ☐ Nearly all (75%-99%) ☐ Most (50%-74%)	☐ Less than half (25%-49%) ☐ Less than a quarter (1%-24%) ☐ None (0%)
8.9 What is the main source of information for IDPs about their location of origin? (select up to two)	☐ Television ☐ Print material (banners/posters/pamphlets) ☐ Social media ☐ Word of mouth ☐ Internet (news websites)	☐ Local authorities ☐ Community leaders ☐ Radio ☐ Newspapers ☐ Mobile phones (SMS or messaging apps) ☐ Other (please specify)

8.10 At risk IDPs		
Children under the age of 18 who live alone with no adults who are related to them	☐ Yes ☐ No	☐ Don't know
Household in which a child is the main contributor to the household income	☐ Yes ☐ No	☐ Don't know
IDP individuals with disabilities (mental or physical)	☐ Yes ☐ No	☐ Don't know
Female-headed households	☐ Yes ☐ No	☐ Don't know
Mothers younger than 18 years old with children	☐ Yes ☐ No	☐ Don't know

8.11 Can you tell us if the following problems/issues/threats affect young IDPs under the age of 18?			
Working without going to school (including begging)	☐ Yes	☐ No	☐ Don't know
Being married before the age of 18	☐ Yes	☐ No	☐ Don't know
Using drugs/alcohol	☐ Yes	☐ No	☐ Don't know
Being recruited or used by armed groups	☐ Yes	☐ No	☐ Don't know
Dying or being injured by landmines or UXOs	☐ Yes	☐ No	☐ Don't know
Being a victim of sexual violence	☐ Yes	☐ No	☐ Don't know
Experiencing violence at home	☐ Yes	☐ No	☐ Don't know
Not having a birth certificate	☐ Yes	☐ No	☐ Don't know

8.12 Are there IDPs who lack some type of civil documentation?	☐ Yes, many or most ☐ Yes, some	☐ No ☐ Don't know
8.12.1 If yes, what is the impact of not having documents? Select all that apply	☐ Restricted freedom of movement ☐ Cannot access basic services (health, education) ☐ Cannot access humanitarian assistance	☐ At risk of arrest ☐ Cannot claim property ☐ Cannot register birth/marriages

9. Social Cohesion

9.1 In your location, are IDPs facing discrimination when it comes to access to any of the following: (select one)				
Access to basic services such as health or education	☐ Yes	☐ No	☐ Don't know	☐ NA
Access to fair employment (having a job and being paid equally)	☐ Yes	☐ No	☐ Don't know	☐ NA
Political representation of any kind (local council, etc.)	☐ Yes	☐ No	☐ Don't know	☐ NA
Access to aid (including the one provided by the government)	☐ Yes	☐ No	☐ Don't know	☐ NA

9.2 In your location, have any of the following happened in the last 3 months:		
Mistrust between different groups	☐ Yes ☐ No	☐ Don't know ☐ Prefer not to answer
If yes, between which groups? Select all that apply	☐ IDPs and stayees ☐ Returnees and stayees ☐ Returnees and IDPs	☐ Different ethnic groups ☐ Different religious group ☐ Different tribal groups
Incidents / physical violence between different groups	☐ Yes ☐ No	☐ Don't know ☐ Prefer not to answer
If yes, between which groups? Select all that apply	☐ IDPs and stayees ☐ Returnees and stayees ☐ Returnees and IDPs	☐ Different ethnic groups ☐ Different religious groups ☐ Different tribal groups
Threats between different groups	☐ Yes ☐ No	☐ Don't know ☐ Prefer not to answer
If yes, between which groups? Select all that apply	☐ IDPs and stayees ☐ Returnees and stayees ☐ Returnees and IDPs	☐ Different ethnic groups ☐ Different religious groups ☐ Different tribal groups

9.3 Are there places in your location where IDPs feel unwelcome or uncomfortable?	☐ Yes ☐ No	☐ Don't know ☐ Prefer not to answer

Returnee Questionnaire

10. Information About Returnees

10.1 When did the majority of returnee families return to this location?	
☐ April to June 2015	☐ October to December 2016
☐ July to September 2015	☐ January to March 2017
☐ October to December 2015	☐ April to June 2017
☐ January to March 2016	☐ July to September 2017
☐ April to June 2016	☐ October to December 2017
☐ July to September 2016	☐ January 2018 or later

10.2 Why have families returned? Rank up to 3 reasons	
Reasons related to location of return:	Reasons related to location of displacement:
☐ The location is safe ☐ Availability of housing ☐ Availability of services (for example, education and health) ☐ Availability of jobs ☐ Availability of assistance ☐ Emotional desire to return ☐ To join family members already returned ☐ Incentives to return by humanitarian actors ☐ Incentives/support to return by government authorities ☐ Encouragement to return by community/religious leaders	☐ No financial means to remain in displacement ☐ Eviction or threat of eviction in location of displacement ☐ Worsening of security situation in displacement ☐ Worsening of livelihood/services in displacement ☐ Failed to integrate in host community ☐ Negative incentives (threat from local authorities, withholding of salaries or aid/PDS) ☐ Other

10.3 Among returnees currently in the location, were some families forced to return?	☐ Yes ☐ No	☐ Do not know ☐ Prefer not to respond

11 Safety and Security Incidents

11.1 Are returnees allowed freedom of movement within the governorate in day-to-day activities?	☐ Most/all can move freely without any special permit ☐ Most/all can move freely but need a special permit from police, army, etc. ☐ Some groups move freely while others face restrictions ☐ Don't know ☐ Prefer not to respond

12 Living Conditions

12.1 If some returnees are not living in their habitual residence, why are they not able to return to their habitual residence? (Select all that apply)	
☐ Residence severely damaged or completely destroyed ☐ Residence or location dangerous because of UXOs, IEDs, booby traps or ongoing conflict ☐ Residence currently occupied by someone else ☐ Residence sold by third-party non-owner ☐ Cannot afford the rent ☐ Security forces or government is preventing the returnees to go back to their habitual residence	☐ A group (e.g. tribe, militia) is preventing the returnees to go back to their habitual residence ☐ Other (specify): ☐ Don't know ☐ Prefer not to respond ☐ Not applicable, all returned to their habitual residence

12.2 Are there obstacles for returnees to prove ownership of their property?	☐ Yes ☐ No	☐ Don't know

12.2.1 If yes, what are the obstacles for returnees to prove ownership of their property? (Select all that apply)	
☐ Returnees never had official documentation to prove their ownership of land / property / home ☐ Property documentation is not recognized by the current authorities ☐ Returnees lost official documentation and government is restricting the family from reissuing or renewing legal ownership documents	☐ Returnees lost official documentation and government records are destroyed ☐ Returnees lost official documentation and have no money to pay for replacement of documents ☐ No information / don't understand the process to replace the documents ☐ Other (specify): ☐ Don't know

12.3 Are most returnees economically active?	☐ Yes	☐ No	☐ Don't know

12.4 What are the three main sources of income for the majority of returnees living in this location? (Select three)	
☐ Paid job (public) ☐ Paid job (private) ☐ Agriculture / farming / animal raising ☐ Business ☐ Informal commerce or sporadic daily labor ☐ Savings	☐ Rent received from house or land ☐ Money from family and/or friends ☐ Cash grants or other forms of aid from organizations/government ☐ Pension ☐ Other (specify):

12.5 Are most of the returnees who are government employees receiving their salaries?	☐ Yes ☐ No ☐ Don't know/	☐ Prefer not to respond ☐ Not applicable, no government employees in location

12.6 What are the most important basic needs of returnees in this location? Rank up to 3	
☐ Drinking water; ☐ Food; ☐ NFIs; ☐ Health; ☐ Shelter/housing; ☐ Education; ☐ Removal of UXO / IEDs ☐ Access to employment and livelihood opportunities ☐ Access to and replacement of personal and other documentation	☐ Access to solutions for displacement-related rights violations (justice, reparations and compensation) ☐ Reunification with family members separated during displacement ☐ Improved safety, security and freedom of movement (indirect security factors between groups or from security actors) ☐ Participation in public affairs on an equal basis with the resident population ☐ Other: (specify) ☐ No need mentioned

12.7 Are there returnee families in the location that do not have enough food?	☐ Yes, a lot ☐ Yes, some	☐ No ☐ I don't know
12.8 Approximately what proportion of returnee school-aged children (6-12 years old) are attending primary school?	☐ All (100%); ☐ Nearly all (75%-99%) ☐ Most (50%-74%)	☐ Less than half (25%-49%) ☐ Less than a quarter (1%-24%) ☐ None (0%)
12.9 Approximately what proportion of returnee school-aged children (13-17 years old) are attending secondary school?	☐ All (100%) ☐ Nearly all (75%-99%) ☐ Most (50%-74%)	☐ Less than half (25%-49%) ☐ Less than a quarter (1%-24%) ☐ None (0%)

12.10 Are there any problem associated with the below sectors for returnees in the location? If yes, what is the main problem (for returnees) associated with each of the sectors below?	
Sector	Main problem, if applicable
Drinking water	☐ No problem ☐ Quantity (insufficient, inconsistent or sporadic supply) ☐ Quality (poor quality, not safe/contaminated) ☐ Difficult access (too far, too hard to access) ☐ Price (too expensive) ☐ Unequal access (Returnees are prevented from accessing water even if available)
Food	☐ No problem ☐ Quantity (insufficient, inconsistent or sporadic supply) ☐ Quality (poor quality, not fresh, bad taste) ☐ Difficult access (market too far, inconvenient opening hours) ☐ Price (too expensive) ☐ Unequal access (Returnees are prevented from accessing food even if available)
NFIs	☐ No problem ☐ Quantity (insufficient, inconsistent or sporadic supply) ☐ Quality (poor quality) ☐ Difficult access (market too far, insecure roads, no money for transportation) ☐ Price (too expensive) ☐ Unequal access (Returnees are prevented from accessing NFIs even if available)
Health	☐ No problem ☐ Quantity (facilities are too few or small or overcrowded) ☐ Quality (poor service, under-qualified/unfriendly staff), ☐ Difficult access (too far, inconvenient opening hours) ☐ Price of healthcare visit/treatment/medicines is too expensive ☐ Unequal access (Returnees are prevented from accessing health even if available) ☐ Lack of rehabilitation services (including psychosocial support) ☐ Lack of mother and child health services
Shelter/Housing	☐ No problem ☐ Quantity (insufficient houses so there is overcrowding) ☐ Quality (infrastructure is poor, not durable, not adequate) ☐ Price (rent is too expensive)

	☐ Unequal access (Returnees are prevented from renting) ☐ Rent assistance (lack of or inadequate) ☐ Eviction (Returnees are being evicted/at risk of eviction)
Education	☐ No problem ☐ Quantity (insufficient classrooms or schools so they are overcrowded) ☐ Quality of environment/service (infrastructure is poor or not adequate, staff skills, female/male classes) ☐ Distance (too far, difficult to access by road) ☐ Price (too expensive; in terms of fees, books and materials, uniforms) ☐ Unequal access based on the fact that they are returnees
Employment and livelihoods	☐ No problem ☐ Quantity (insufficient jobs available in the area) ☐ Quality (jobs available but low paid or occasional or under-qualified) ☐ Distance (jobs available but too far/hard to reach) ☐ Unequal access/barriers to jobs/land/personal property (identity/residence cards, work permits, recognition of qualifications, discrimination due to being returnee) ☐ Programmes to support the start up of small businesses ☐ (e.g. grants, loans, business development services, technical assistance) ☐ Training/job placement/vocational centers ☐ Suspension of aid or salaries

12.11 What is the main source of information for returnees about access to assistance/aid (by government or NGO) in this location? (select up to two)	
☐ Television ☐ Print material (banners/posters/pamphlets) ☐ Social media ☐ Word of mouth ☐ Internet (news websites) ☐ Local authorities	☐ Community leaders ☐ Radio ☐ Newspapers ☐ Mobile phones (SMS or messaging app) ☐ Other (please specify)

12.12 Are there any of the following groups in the returnee population?			
At risk returnees	Yes	No	Don't know
Children under the age of 18 who live alone with no adults who are related to them			
Household in which a child is the main contributor to the household income			
Returnee individuals with disabilities (mental or physical)			
Female-headed households			
Mothers younger than 18 years old with children			

12.13 Can you tell us if the following problems/issues/threats affect young returnees under the age of 18?			
	Yes	No	Don't know
Working without going to school (including begging)			
Being married before the age of 18			
Using drugs/alcohol			
Being recruited or used by armed groups			
Dying or being injured by landmines or UXOs			
Being a victim of sexual violence			
Experiencing violence at home			
Not having a birth certificate			
Working without going to school (including begging)			

12.14 Are there returnees who lack civil some type of documentation?	☐ Yes, many or most ☐ Yes, some	☐ No ☐ Don't know
12.14.1 If yes, what is the impact of not having documents(select all that apply)?		
☐ Restricted freedom of movement ☐ Cannot access basic services (health, education) ☐ Cannot access humanitarian assistance	☐ At risk of arrest ☐ Cannot claim property ☐ Cannot register birth/marriages	

13. Social Cohesion

13.1 In your location, are returnees facing discrimination when it comes to access to any of the following: (select one)				
Access to basic services such as health or education	☐ Yes	☐ No	☐ Don't know	☐ NA
Access to fair employment (having a job and being paid equally)	☐ Yes	☐ No	☐ Don't know	☐ NA
Political representation of any kind (local council, etc.)	☐ Yes	☐ No	☐ Don't know	☐ NA
Access to aid (including the one provided by the government)	☐ Yes	☐ No	☐ Don't know	☐ NA

13.2 In your location, have any of the following happened in the last 3 months		
Mistrust between different groups	☐ Yes ☐ No	☐ Don't know ☐ Prefer not to answer
If yes, between which groups? Select all that apply	☐ IDPs and stayees ☐ Returnees and stayees ☐ Returnees and IDPs	☐ Different ethnic groups ☐ Different religious group ☐ Different tribal groups
Incidents / physical violence between different groups	☐ Yes ☐ No	☐ Don't know ☐ Prefer not to answer
If yes, between which groups? Select all that apply	☐ IDPs and stayees ☐ Returnees and stayees ☐ Returnees and IDPs	☐ Different ethnic groups ☐ Different religious group ☐ Different tribal groups
Threats between different groups	☐ Yes ☐ No	☐ Don't know ☐ Prefer not to answer
If yes, between which groups? Select all that apply	☐ IDPs and stayees ☐ Returnees and stayees ☐ Returnees and IDPs	☐ Different ethnic groups ☐ Different religious group ☐ Different tribal groups

13.3 Are there places in your location where returnees feel unwelcome or uncomfortable?	☐ Yes ☐ No	☐ Don't know ☐ Prefer not to respond
