Number of Unaccompanied or Separated Children		
Number of Minor Headed Households		
Number of IDP individuals with disabilities (mental or physical disability)		
Number of Female Headed Households		N/A
Number of Pregnant females (Under 18)		N/A
Number of pregnant females (18+)		N/A

Zero means: no existing for this vulnerability, while N/A means: No Available information or No Answer

NEEDS

Rank the first three priority needs in this location in order of importance for IDPs (multiple options – rank three).

Needs	Priority (1-2-3)	Needs	Priority (1-2-3)
Drinking Water		Education	
Cooking/washing Water		Access to income	
Food		Legal help	
Health		Household Items (NFI)	
Sanitation/ Hygiene		Psychological support	
Shelter/Housing		Protection of Children	

What is the main problem associated with each of the sectors below in order of importance (single option).

Sector	Main problem
Drinking Water	<input type="checkbox"/> 0. No Problem <input type="checkbox"/> 1. Price (too expensive) <input type="checkbox"/> 2. Distance (too far, difficult to access by road, unfriendly opening hours) <input type="checkbox"/> 3. Quality (bad color or taste) <input type="checkbox"/> 4. Quantity (insufficient, the supply not consistent - i.e. kiosks/fountains/wells run out of water) <input type="checkbox"/> 5. Unequal Access (IDPs are prevented from accessing water even if it is available)
Cooking/washing Water	<input type="checkbox"/> 0. No Problem <input type="checkbox"/> 1. Price (too expensive) <input type="checkbox"/> 2. Distance (too far, difficult to access by road, unfriendly opening hours) <input type="checkbox"/> 3. Quality (bad color or taste) <input type="checkbox"/> 4. Quantity (insufficient, the supply not consistent - i.e. kiosks/fountains/wells run out of water) <input type="checkbox"/> 5. Unequal Access (IDPs are prevented from accessing water even if it is available)
Food	<input type="checkbox"/> 0. No Problem <input type="checkbox"/> 1. Price (too expensive) <input type="checkbox"/> 2. Distance (too far, difficult to access by road, unfriendly opening hours) <input type="checkbox"/> 3. Quality (not fresh or bad taste) <input type="checkbox"/> 4. Quantity (insufficient, the supply not consistent - i.e. markets or shops don't have enough or they run out of it frequently) <input type="checkbox"/> 5. Unequal Access (IDPs are prevented from accessing food even if it is available)
Health	<input type="checkbox"/> 0. No Problem <input type="checkbox"/> 1. Price (too expensive) <input type="checkbox"/> 2. Distance (too far, difficult to access by road, unfriendly opening hours) <input type="checkbox"/> 3. Quality (bad service, unqualified/unfriendly staff), <input type="checkbox"/> 4. Quantity (facilities are too few or small or overcrowded) <input type="checkbox"/> 5. Unequal access (IDPs are prevented from accessing health services even if they are available) <input type="checkbox"/> 6. Lack of type of services (Type of equipment services or treatment offered/available, irregular supply of medicines) <input type="checkbox"/> 7. No female doctors/healthcare available
Sanitation/ Hygiene	<input type="checkbox"/> 0. No Problem <input type="checkbox"/> 1. Distance (the toilets are not on site) <input type="checkbox"/> 2. Quantity of toilets (< 1/ 20 individuals) <input type="checkbox"/> 3. Quantity of showers <input type="checkbox"/> 4. Quality of toilets and showers (they don't work or they are dirty)

	<input type="checkbox"/> 5. Unequal access (IDPs are prevented from accessing available showers and toilets) <input type="checkbox"/> 6. There is no waste management/disposal
Shelter/Housing	<input type="checkbox"/> 0. No problem <input type="checkbox"/> 1. Price (too expensive) <input type="checkbox"/> 2. Quality (infrastructure is poor, not durable, not strong enough, not adequate) <input type="checkbox"/> 3. Quantity (there aren't enough houses so there is overcrowding) <input type="checkbox"/> 4. Unequal access (IDPs are prevented from renting)
Education	<input type="checkbox"/> 0. No Problem <input type="checkbox"/> 1. Price (too expensive; in terms of fees, Books and materials, Uniforms) <input type="checkbox"/> 2. Distance (too far, difficult to access by road) <input type="checkbox"/> 3. Quality of Environment (infrastructure is poor and not adequate) <input type="checkbox"/> 4. Quality of Service (staff skills, female/males classes) <input type="checkbox"/> 5. Quantity (there are insufficient classes or schools so they are overcrowded) <input type="checkbox"/> 6. Unequal access (IDPs are prevented from enrolling in school)
Access to income	<input type="checkbox"/> 0. No Problem <input type="checkbox"/> 1. Distance (too far, difficult access by road) <input type="checkbox"/> 2. Quantity (Not enough jobs available in the area) <input type="checkbox"/> 3. Low-paid (Jobs available but Income insufficient) <input type="checkbox"/> 4. No qualification (Jobs available but IDPs not qualified enough) <input type="checkbox"/> 5. Unequal access to jobs (discrimination - IDPs are prevented to work)
Legal help	<input type="checkbox"/> 0. No Problem <input type="checkbox"/> 1. Price (too expensive to hire legal service) <input type="checkbox"/> 2. Distance (too far, difficult to access by road, not available) <input type="checkbox"/> 3. Quality (the offered services do not provide required help, unfriendly opening hours, lack of staff) <input type="checkbox"/> 4. Unequal Access (IDPs are not provided legal services) <input type="checkbox"/> 5. Lost/ insufficient documentation
Household Items (NFI)	<input type="checkbox"/> 0. No Problem <input type="checkbox"/> 1. Price (cannot afford household items) <input type="checkbox"/> 2. Distance (distributions/shops/magazines are too far, difficult to access by road, unfriendly opening hours) <input type="checkbox"/> 3. Quality (the items are poor quality) <input type="checkbox"/> 4. Quantity (there is none or not enough household items available in distributions/local markets) <input type="checkbox"/> 5. Unequal Access (IDPs are prevented from accessing items or distributions are unfair) <input type="checkbox"/> 6. Type (the type of items received was not appropriate)
Psychosocial support	<input type="checkbox"/> 0. No Problem <input type="checkbox"/> 1. Price (too expensive) <input type="checkbox"/> 2. Distance (too far, difficult to access by road, unfriendly opening hours) <input type="checkbox"/> 3. Quality (the offered services do not provide required help) <input type="checkbox"/> 4. Quantity (there is none or there is no space available in existing services) <input type="checkbox"/> 5. Unequal Access (IDPs are prevented from accessing services even if it is available, or service access is unfair for IDPs) <input type="checkbox"/> 6. Socially unacceptable (it's not possible to use psychosocial services for social reasons) <input type="checkbox"/> 7. No same-sex staff

Which are the three main protection issues for IDP children living in this location (Multiple options – rank three)	
<input type="checkbox"/> Risk of family separation <input type="checkbox"/> Harassments <input type="checkbox"/> Violence within the home <input type="checkbox"/> Child labor <input type="checkbox"/> Child Marriage	<input type="checkbox"/> Risk of recruitment into Armed force/group <input type="checkbox"/> Risk of danger and injuries, violence or Landmines or unexploded ordinance in the area of this location <input type="checkbox"/> Lack of services for children <input type="checkbox"/> Risk of Kidnapping <input type="checkbox"/> No Problem

SECURITY

Does the majority of IDPs living in this location feel safe?	Yes/ No
---	---------

In case of a security incident, to whom do IDPs report in this location? (Multiple options – rank three)	
<input type="checkbox"/> Police <input type="checkbox"/> Iraqi Security Forces <input type="checkbox"/> Peshmerga <input type="checkbox"/> Assayish <input type="checkbox"/> Zervani <input type="checkbox"/> Private company	<input type="checkbox"/> Armed militia/groups <input type="checkbox"/> Local council <input type="checkbox"/> Mukhtar <input type="checkbox"/> Other <input type="checkbox"/> Unknown

What are the three most common security incidents for IDPs in this location? (Multiple options – rank three)
<input type="checkbox"/> Friction with host community <input type="checkbox"/> Friction within IDPs <input type="checkbox"/> Armed conflicts <input type="checkbox"/> Theft or Crime <input type="checkbox"/> Violence against females <input type="checkbox"/> Violence against males <input type="checkbox"/> Discrimination <input type="checkbox"/> No security incident <input type="checkbox"/> Other <input type="checkbox"/> Unknown

If there have been cases of discrimination, please specify which type: (Mark all that applies)
<input type="checkbox"/> Religious discrimination <input type="checkbox"/> Gender discrimination- against females <input type="checkbox"/> Gender discrimination- against males <input type="checkbox"/> Ethnic discrimination <input type="checkbox"/> Political discrimination <input type="checkbox"/> Socioeconomic discrimination <input type="checkbox"/> Discrimination against IDPs <input type="checkbox"/> Other <input type="checkbox"/> Unknown
